## URL Base

Para iniciar a sua integração, o ponto de partida é a URL base. A URL base da API é: <https://api.veloce.tech/api>

## Gerar token de acesso a API

Para a geração do token de acesso, é preciso primeiramente se cadastrar no [painel Veloce](#). Recomendamos criar um usuário específico para a utilização de integrações. Este usuário precisa ser administrador e ter acesso a todas as empresas (caso haja mais de uma cadastrada).
